

Ola – Armchair

Team Saba Project (Resp. Nicola Pavan) – 2019

Ola originates from a simple idea but at the same time represents a complex concept - a welcoming armchair created utilising four individual curved sheets. Each sheet converges towards a single centre. Four sheets become two sheets for the variation without armrests. The metal frame has an essential and graphic silhouette in contrast with the padded rounded forms. The cover is completely removable.

Dimensions

67x74x78 cm with armrests

60x74x78 cm without armrests
