

SOLEIL NOIR

Design Odile Decq, 2015

**LUCE
PLAN**

Type: Suspension
Light source: LED 35W - 3000K - 1728 lm
dimmable 0-10V 120/277V~
Product use: Indoor
Materials: molded polyurethane foam
Colors: white, white/black
optic disc black

Description: Technological and futuristic, Soleil Noir by Odile Decq is a suspension and ceiling lamp with an organic form in molded polyurethane foam, whose LED light source is hidden inside a disk that generates homogeneous diffused, indirect lighting. Supported by a single asymmetrical cable, it keeps its balance thanks to the thicknesses of the body, functioning as a slim, aerial lighting element that conveys brightness with discretion and elegance. It is equipped with an avantgarde optical system to guarantee uniform light flow on the diffuser.
